**Why Upgrade**  
KEY CONSIDERATIONS

## Is having a quick wash cycle important to you?

Consider Miele's Quick Intense Wash which is available starting with the deluxe series.

## Looking for an automatic detergent dispenser?

Miele's TwinDos dispenser is available starting with their base model.

## Looking for modern touch-screen controls?

Miele's M-Touch screen is only available on their premium model.

## Need the option to starch your clothes?

Skip the trip to the dry cleaners and upgrade to Miele's premium model.
